AWBA Bowling Guidelines

AWBA Adjusted Tournament Average (ATA)- is the bowler's average score bowled from the previous year

- **Only Sanctioned AWBA events count towards ATA**

AWBA uses the bowler's most recent composite average posted under their record at bowl.com

Handicaps are 100% of 200 minus the bowler's ATA.

Any bowler wishing to bowl **scratch** in the Singles may do so; their ATA will apply for handicap in the **Doubles and Up/Down**

There is **no maximum** ATA for Handicap and **no minimum** ATA for Scratch.

- A Division **will be for bowlers 126 and higher**
- B Division **for bowlers 125 and under**

Bowlers may request their records at any time. Please provide the USBC ID number when inquiring

For more information please visit awba.org/about or email: info@awba.org
