From the Executive Director's desk,

As we start a new year, 2025, we have also begun serving you at our new location. The Vaughan Chapter has moved our office and has already begun preparing for a full year of events. Our new address is 2225 Enterprise Drive, Suite 2502, Westchester, IL. These meetings provide a platform for you to connect with fellow members, voice your opinions, and influence our planning process. Your participation is crucial! For attending Membership meetings, we offer mileage reimbursement of .50¢ per mile round trip and a \$65 stipend for caregivers of voting members. Additionally, we provide free lunch and a door prize raffle as a token of our appreciation for your commitment.

## 2025 Bi-Monthly Membership Meetings

Vaughan Chapter's goal this year is to reach out to every member in the surrounding areas; for this to happen, we will conduct in-person membership meetings near you. All membership meetings offer FREE lunch and now door prizes.

Your attendance and feedback at these membership meetings are paramount to our chapter's continued success and our ability to serve 'you' the member, on a more meaningful level. Please take a look at the meeting dates below to see when the next membership meetings will take place.

# PRESIDENT'S REPORT

## Hello fellow veterans,

We had a fantastic 2024 for our chapter. We curled, bowled, shot trap, played bocchia, and attended baseball games, hockey games, and many chapter events that brought our members together; there was a wide variety of activities for our members to stay active and get involved.

We appreciate all the members who made the effort to attend. As we all know, it isn't always easy, but that is why our chapter focuses on accessible programs. For example, our chapter's wheelchair-accessible bus allows RCF residents and members to travel to events and practices.

I am very hopeful for our chapter coming into this new year. All our aforementioned events are on the docket again this year, and some brand-new and returning programs, such as air rifles and chess, are being introduced.

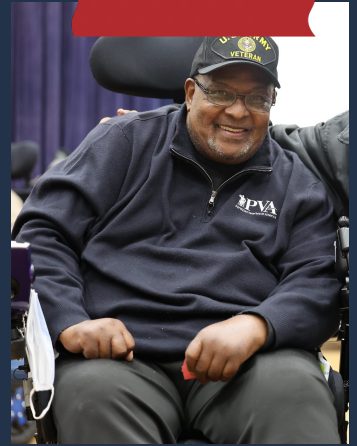

Bass fishing will return to Rend Lake again this year for the PVA National Bass Fishing Tournament Land Of Lincoln Tour Stop sanctioned by B.A.S.S. Although our chapter has not hosted it this year, we highly encourage our members to take the trip out, and we will be running the chapter bus to the event. The tournament lasts from May 2-4 at Rend Lake, Illinois. For more details, please visit: <https://pva.org/adaptive-sports/bass-tournament-series/>

We are preparing to run our first-ever chapter chess event in March, utilizing the iPads our chapter has been granted from Christopher Reeve's Foundation. Stay tuned for registration details.

We at the PVA Vaughan Chapter wish you a great 2025!

Sincerely,  
Anthony Powell -President

## Automobile & Adaptive Equipment Allowances for Veterans

New legislation signed into law, January 2023, will now allow eligible veterans to use the Automobile allowance grant, from VBA, every 10 years. The Adaptive Equipment Allowance may cover multiple claims over time for repairs for mobility, replacements, or reinstallations.

The automobile allowance new current rate is effective October 1, 2024. If you have a service-connected disability that prevents you from driving, VA may pay up to \$26,417.20 toward a specially equipped vehicle.

## Understanding the Process

The process involves coordination between the veteran, the local VBA Regional Office, the local Prosthetics Department, and the vehicle seller. Veterans should be aware that eligibility checks and processing involve multiple departments and steps.

## Veteran Actions

**Review with Physician:** Veterans will need to request their primary care provider to consult with the Driver's Rehabilitation Specialist. A prescription is developed for eligible Veterans so Prosthetic Service can work with the vendor to provide the needed adaptations for the conveyance.

**Review with VSO:** Veterans must be valid drivers or passengers and the vehicle only being registered and titled to the eligible veteran. Make sure to review eligibility for the benefit with your VSO or representative.

## Automobile Allowance

**Initiate Application:** Complete VA Form 21-4502 in duplicate and submit to your Regional Office (RO).

**RO Processing:** The RO confirms eligibility (21-4502 Page 2) and sends part of the form back to the veteran.

**Vehicle Acquisition:** After purchasing the vehicle, the veteran completes (21-4502 Page 2) of the form and the seller invoices the RO for payment.

**Payment:** The RO's finance department reimburses the seller directly.

## Adaptive Equipment Allowance

**Application:** Fill out VA Form 10-1394, usually provided by the VA Prosthetic Services.

**Prosthetics Department:** This department forwards the application to the RO finance department and ensures the adaptive equipment prescription and safety measures are met.

**Approval and Payment:** If approved, the finance department arranges payment to either the veteran or the equipment seller/installer.

## PVA Womens Retreat

This is my second time attending the retreat and the experience was amazing both times. Just to be among beautiful women veterans like me that have a story to tell about their journey and path that has brought life and a light to our life as a woman in the military. When I joined PVA I didn't know what to expect but my busy life has brought some friendships that are ever lasting. In the military we travel around the world and meet people along the way that become friends for life and the retreat I have met friends for life that I can call and say I'm in your town. Thank you Vaughan Chapter for all you have done for me and the experience of your journeys.

Vaughan PVA Member Jmelba Cotton

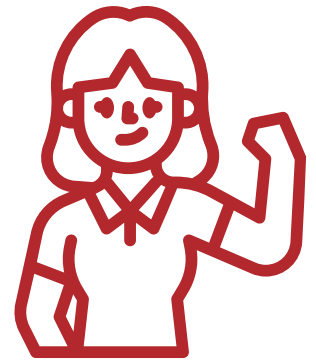

It is always incredible to see the different programs that PVA has in place that brings the Veteran community together. The womens retreat is an especially important event that brings together Womens Veterans together a group that is often under represented. The women had a fantastic time enjoying themselves and bonding over the course of the PVA retreat.

We are glad that PVA continues to support Women Veterans by giving them their own platform and venue for community bonding. We certainly hope that it is an event they continue to run in the future so we can show our support for all women Veterans and their supporters just like they did when they chose to work for the sake of the American people in their different branches and roles of service.

Thank You Our Women Veterans!
